# MOM's Mustang Drive to 55!

**Celebrate three huge Mustang events during the same week and weekend!**

**Concord, North Carolina, June 23, 2018, 2nd Revision:** The Mustang Owner's Museum (MOM) has released their plan to add a "55 Years of Mustangs" celebration during the same weekend as the Mustang Owner's Museum is holding it's official Grand Opening which is set to happen during National Mustang Day, 2019. Festivities for all three events will begin on the Ford Mustang's 55<sup>th</sup> birthday, Wednesday, April 17<sup>th</sup>, 2019 at the Mustang Owner's Museum. All three events will conclude with a huge Mustang Celebration Dinner on Saturday evening, April 20<sup>th</sup> with many Mustang well known names and celebrities in attendance. Included in the week and weekend will be tours, seminars, driving events to local points of interest and Open Track at the famous Charlotte Motor Speedway.

For those of us who want to attend from the west coast, MOM's Mustang Drive to 55 is a once in a lifetime Mustang driving event and is the official Mustang driving event for the Mustang Owners Museum. It will start out Saturday, April 6<sup>th</sup> from Seattle, Washington in the Pacific Northwest and head south down Interstate 5 through Oregon and into California. On Monday, April 8<sup>th</sup>, MOM's Drive to 55 will leave Mustangs Plus in Stockton, California and arrive in Concord, North Carolina the afternoon of Monday, April 15<sup>th</sup>. This will allow Tuesday, April 16<sup>th</sup> to be used as a rest day to get yourself and your Mustang ready for the start of the celebrations on Wednesday, April 17<sup>th</sup>.

As a member of the Drive, in the event of any trouble or an emergency while on the road, you will have help every mile of the way. Along with a windshield tape and t-shirts showing that you are with Mom's Mustang Drive to 55, you will receive a MOM's Driver's Booklet that will have all the information you'll need while on the trip. It will list sights to see, cities and towns to visit, auto parts stores, gas stations and much more. Traveling with our group, you will have every hotel reserved each night with a group rate, in most cases, so you will always know where you're going. You will drive between 350 and 550 miles each day, all during daylight hours, with many fun stops along the way.

Our organizers will plan out drivers meetings for each morning and lunch and dinner gatherings to attend which will be hosted by the various Mustang Clubs and groups as we drive through their cities and towns. These stops, along with the hotel information for each city, are in the process of being finalized at this time. There will never be a dull moment as MOM's Mustang Drive to 55 gathers more and more Mustangs each day until hundreds of Mustangs and their owners arrive at MOM's in Concord, North Carolina on the afternoon of Monday, April 15<sup>th</sup>. A return route will also be planned but it will take less time and have fewer stops. Or, you can head for home on your own and explore our beautiful United States.
