Celebrate three huge Mustang events during the same week and weekend!

Concord, North Carolina, August 15, 2018, 4th Revision: Registration is open for MOM's Drive to 55 at the Mustang Owner's Museum (MOM) website at www.mustangownersmuseum.com. Back in April, MOM released their plan to add a "55 Years of Mustangs" celebration during the same weekend as the Mustang Owner's Museum is holding it's official Grand Opening which is set to happen during National Mustang Day, 2019. Festivities for all three events will begin on the Ford Mustang's 55th birthday, Wednesday, April 17th, 2019 at the Mustang Owner's Museum. All three events will conclude with a huge Mustang Celebration Dinner on Saturday evening, April 20th with many Mustang well known names and celebrities in attendance. Included in the week and weekend will be tours, seminars, driving events to local points of interest and Open Track at the famous Charlotte Motor Speedway.

For those of us who want to attend from the west coast, MOM's Drive to 55 is the official Mustang driving event for the Mustang Owners Museum and is a once in a lifetime event. It will start out Saturday, April 6th from Renton, Washington with overnight stops in Medford, Oregon, Lodi, California, Ontario, California, Phoenix, Arizona, Albuquerque, New Mexico, Amarillo, Texas, Yukon, Oklahoma, Memphis, Tennessee, and Nashville, Tennessee. We will arrive in Concord, North Carolina the afternoon of Monday, April 15th. This will allow Tuesday, April 16th to be used as a rest day to get yourself and your Mustang ready for the start of the celebrations on Wednesday, April 17th. Fantastic stops and evening celebrations are being planned along the way. Many Ford Dealers will be hosting events, we will be attending a 100th celebration of A&W Root Beer in Lodi, California where the brand was first made, and an evening activity at Marti Auto Works in Phoenix, Arizona are already planned for and confirmed. As more lunch stops and evening events are confirmed, we'll post them on the website.

As a member of MOM's Drive to 55, in the event of any trouble or an emergency while on the road, you will have help every mile of the way. Along with a windshield tape and t-shirts showing that you are with Mom's Drive to 55, you will receive a MOM's Driver's Booklet that will have all the information you'll need while on the trip. It will list sights to see, cities and towns to visit, auto parts stores, gas stations and much more. Traveling with our group, you will have every hotel reserved each night with a group rate, in most cases, so you will always know where you're going. You will drive between 350 and 550 miles each day, all during daylight hours, with many fun stops along the way. MOM's Drive to 55 will gather more and more Mustangs each day until hundreds of Mustangs and their owners arrive at the Mustang Owner's Museum in Concord, North Carolina on the afternoon of Monday, April 15th. A return route will also be planned, but it will take less time and have fewer stops. Or, you can head for home on your own and explore our beautiful United States.

For more information on MOM's Grand Opening, National Mustang Day, 2019 and MOM's Mustang Drive to 55, please visit the Mustang Owner's Museum website at www.mustangownersmuseum.com. As you are reading this, many things are still in the planning stages. As soon as those plans are set, we will put everything up on the MOM website.
